ABSTRACT
Business in the restaurant or café is growing, one of which is the Ritual Café. Likewise with internet technology, the number and range more widely. Then look at the situation, it is necessary for the Ritual Café to make the internet media as a means of information dissemination and promotion. To achieve this, it needs to be designed and built the website contains an information about the Ritual Café. Whether it's the concept, menu, price, and so on. Website design and manufacture Ritual Café is expected to be able to introduce the Ritual Café, more broadly, and can also increase the number of customers.
